LIFE SETTLEMENT TRADE MISSION

2010

For the complimentary investor registration enter the following code:

TM2010EUROPE

Any person who registers as an investor must submit a RE-FUNDABLE deposit of \$400 to confirm attendance. For more details read the Terms and Conditions upon registration.

The Trade Mission:

- An opportunity to get a real insight into the world of Senior Life Settlements from the Industries Experts.
- Traded US Life Insurance Policies offer a new and exciting opportunity with their stability and low correlation with traditional assets such as bonds and stocks.
- The Trade Mission will bring together specialists from the US and across Europe.
- Gain access to the latest market information.

Networking and Promotion:

The Trade Mission will offer the perfect opportunity to meet the key players in the Life Settlement industry. With industry veterans from the US and Europe joining with investors for the first time - this is a unique opportunity.
